Timbertex® and Ridglass® Premium Ridge Cap Shingles

Important Warning:
Timbertex® and Ridglass® Ridge Cap Shingles are designed to complement the color of your Timberline® Shingles. But some contractors cut costs by using the tabs from a 20-year or 25-year 3-tab shingle as your ridge cap. To ensure the closest color consistency for your roof, ask your contractor to use genuine Timbertex® Ridge Cap Shingles (or Ridglass®, in the West)!

- **Complements Timberline® Colors...** Designed to complement the color of your Timberline® Shingles
- **Superior Protection For Hips & Ridges...** Multi-layer design protects the most vulnerable areas of your roof
- **Perfect Finishing Touch...** Exceptionally thick designs with massive 8" exposure are 2-3 times thicker (versus using cut-up 3-tab shingles) for a distinctive, upscale look
- **Stays In Place...** Dura Grip™ Self-seal Adhesive seals each piece tightly and reduces the risk of blow-off
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs†

†See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. Lifetime Ltd. warranty on accessories requires the use of at least 3 qualifying GAF accessories and the use of Lifetime Shingles.
